

Uniform Policy

Scholars are required to attend school well-groomed, conforming to the guidelines of Christian modesty and decency. Our uniform policy is put in place to keep the focus on receiving a quality education and to eliminate peer pressure. We will work with scholars and parents to ensure our uniform policy is upheld. Scholars, who are out of uniform, may be held out of class until the issue is resolved. ***In addition, Shining Star Christian School is not responsible for any items that are lost or damaged.***
